

N^o 22,124

A.D. 1892

Date of Application, 2nd Dec., 1892

Complete Specification Left, 12th Dec., 1892—Accepted, 11th Feb., 1893

PROVISIONAL SPECIFICATION.

An Improved Lotion for the Cure of Lupus or of External Cancer or analogous Growths.

We, ANGELINA ROWE, Widow, ANGELINA ROWE and STELLA ROWE, Spinsters, all of Belmont Terrace, Grampound Road, in the County of Cornwall do hereby declare the nature of this invention to be as follows:—

The present invention relates to an improved lotion for the cure of lupus or of
5 external cancer, or analogous growths.

The lotion is compounded of oil, spirit, spice, liniment, naphtha and butter of antimony.

We do not confine ourselves strictly in respect of the relative quantities.

Dated this 2nd day of December 1892.

PHILLIPS & LEIGH,
Agents for the Applicants.

COMPLETE SPECIFICATION.

An Improved Lotion for the Cure of Lupus or of External Cancer or analogous Growths.

15 We, ANGELINA ROWE, Widow, ANGELINA ROWE and STELLA ROWE, Spinsters, all of Belmont Terrace, Grampound Road, in the County of Cornwall do hereby declare the nature of this invention and in what manner the same is to be performed, to be particularly described and ascertained in and by the following statement:—

20 The present invention relates to an improved lotion for the cure of lupus or of external cancer, or analogous growths. It is for external use and is to be used as a wash.

The lotion is compounded of oil, spirit, spice, liniment, naphtha and butter of antimony.

25 The particular kinds of each of the four first mentioned ingredients are as follows

Oil :—olive oil.

Spirit :—spirit of wine or turpentine.

Spice :—nutmeg or cloves.

30 Liniment :—soap liniment.

In respect of the relative quantities of each, these may be varied, but the following are those which we prefer.

35	Oil	-	-	-	-	2 oz.
	Spirit	-	-	-	-	2 oz.
	Spice	-	-	-	-	6 oz.
	Liniment	-	-	-	-	4 oz.
	Naphtha	-	-	-	-	2 oz.
	Butter of Antimony	-	-	-	-	2 oz.
						<hr/> 18 oz. <hr/>

40 The spice is crushed and soaked in the spirit for about 12 hours. The spirit is then drained of and mixed with the other ingredients. The spice is done with and may be thrown away.

[Price 8d.]

A., A., & S. Rowe's Improved Lotion for the Cure of Lupus, &c.

The function of the naphtha is to destroy the growths, and that of the oils is to heal.

The ingredient or ingredients to which we attach the greatest importance is or are the olive oil, naphtha and the butter of antimony.

Having now particularly described and ascertained the nature of the said invention, and in what manner the same is to be performed, we declare that what we claim is :— 5

1. The lotion or wash compounded as set forth.
2. In lotions or washes for the cure of the growths specified the use of olive oil, naphtha and butter of antimony. 10

Dated this 12th day of December 1892.
